

# PADI Open Water Diver

## New Zealand Sea Adventures

*Recreational, Professional and Technical Diver Training*

***“Ever since you were a kid, you’ve wanted to Learn to SCUBA dive.”  
Sound familiar?***

Now days we get you in the water sooner, so you can start having the dives you dreamed of. It’s a piece of cake, your pool dives will prepare you for your open water dives.

All you need to do is be able to swim, be medically fit to dive and complete the online eLearning course then you’re set to go! All the rental gear is available with your course; just bring a pen, your togs and a towel. Registration is easy either online, in store, by phone or email.

To help you get your own dive gear, we offer you 10% off any individual dive equipment (not packages) bought from our store for your course. This offer ends when your course is completed. Take a look at our popular Gear Packages, they are a great way to save money too.

Our aim is to take you on lots of fascinating adventures into the undersea world. We want to make your diving safe and enjoyable. At New Zealand Sea Adventure’s, we are able to offer you the most comprehensive range of diving experiences including: lots of trips to great dive locations, boat dives, shore dives, over 20 PADI Specialty diver courses, PADI Instructor courses and TDI Technical Diver courses.

PADI is by far the largest and safest diver certifying system in the world, so no matter what country you are in, your PADI qualification will be recognised.

As part of your course, you are an automatic member of our Dive Crew. There are no club fees, we just take you diving.

If you have any questions please call, email or stop by our Dive Store.

Kind regards,

*Tony Howell*
