

Taking a Dive Course at Level 2.

To sign on a dive course at level 2, you must accept that at stages during the course, it is not practical or possible to maintain social distancing or wear a face covering. The current Government Protocol for Alert Level 2 allows for this during dive courses provided you are using the appropriate Contact Tracing methods like scanning in each day of your dive course.

This does not affect anybody's safety or the quality of our courses in any way.

All our staff are fully vaccinated.
